

BOSS | Asylum Demon Dark Souls: Remastered (PS4)

 The large demon found during the tutorial in the Northern Undead Asylum. This boss is very similar to the Vanguard in Demon's Souls in both attack style and appearance in the story. After escaping from your cell and lighting the first bonfire, the next step is to open a large set of doors leading to another courtyard, surrounded by large vases.

 Location: Undead Asylum

 Drops:

+ Big Pilgrim's Key (Second encounter only. If slain during the first encounter, this key is instead obtained from Oscar of Astora).

+ Demon's Great Hammer (only if killed during first encounter). Easy to obtain in New Game Plus.

 Health: 825

 Souls Awarded: 2 000

WHAT ?

 **Dark Souls** is a 2011 action role-playing game developed by FromSoftware and published by Namco Bandai Games. A spiritual successor to FromSoftware's *Demon's Souls*, the game is the second installment in the Souls series. *Dark Souls* takes place in the fictional kingdom of Lordran, where players assume the role of a cursed undead character who begins a pilgrimage to discover the fate of their kind. A port for Microsoft Windows was released in August 2012, which featured additional content not seen in the original PlayStation 3 and Xbox 360 versions. In October 2012, the new content was made downloadable for consoles under the subtitle *Artorias of the Abyss*.

Dark Souls has been cited as one of the best video games of all time. Critics praised the depth of its combat, intricate level design, and use of flavor text. However, the game's difficulty received more mixed reviews, with some criticizing it for being too unforgiving. The original Windows version of the game was less well-received, with criticism directed at several technical issues. By April 2013, the game had sold over two million copies worldwide. Two sequels were released in the mid-2010s, while a remastered version was released in 2018.
